

1 hour training and playing sessions are available on Henley YMCA's state of the art Soccer Real 60 Tiger Turf five-a-side pitch (37m x 19m approx). Installed to a high specification with a shock pad base, players can wear football boots with normal studs, trainers or Astro footwear. **NB! Blades are not permitted for safety reasons.**

The use of floodlights and Henley YMCA's superb dressing room facilities, with showers, are included in the adult hire price of £40 per hour; reduced rates are available for under 16s and schools.

As well as casual use, block bookings can be made for summer or midweek in-season training. Teams are advised to book early to secure an evening session in particular. The latest slot available is from 8.30-9.30pm.
